School Overview

Burleigh Heads State School (BHSS) was established in 1917. The school has an enrolment of approximately 515 students from Prep to Yr 6. Our student population is stable and reflects the socio-economic status of the Burleigh Heads area. Our staff is also stable with very little changeover in recent years. Our teaching staff have been coached by a literacy coach over the past 5 years and are well-versed in the school priorities. The school has an ECDU and a Special Education Unit. The school has a Stephanie Alexander Kitchen Garden program that students from Years 3-6 participate in. The school has a thorough screening process in the early years that identifies students who require support, enabling targeted learning and intervention. Extracurricular offerings include camps, instrumental music, choirs, Eisteddfods, interschool and cluster sports days, days of excellence, excursions, visiting performances and programs, and festivals. Students have access to a fixed and a mobile computer lab with smaller computer pods in the library. All classrooms have interactive whiteboards installed. Parents are encouraged to be involved in their children's education through direct involvement in classrooms, as volunteers or through the Parents and Citizens Association. The latter supports a wide range of activities that provide financial support to the global budget.

Principal's Forward

Introduction

Welcome to the 2016 School Annual Report for Burleigh Heads State School.
The Annual Report provides our school community an overview of the highlights, successes and progress towards predetermined goals for our school, as well as showcasing priority areas for future development.

School Progress towards its goals in 2016

School progress on our goals for 2016:
- Pedagogical and Feedback Framework – Greater focus on Feedback processes occurred throughout the 2016 school year
- Writing – embedding of the Daily 5 and Seven Steps to Writing strategies is now established with keys being developed and implemented to support students and teachers on writing foci.
- Reading. – embedding of our signature reading strategies is now established.
- Parent and Community Engagement – the school is continuing to refine and improve our communication modes across all key stakeholders

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html).

Characteristics of the Student Body

Overview

Burleigh Heads State School's total enrolment went marginally down in 2016 (Day 8 figures) as many families moved out of our catchment to more affordable areas of the northern Gold Coast. The school caters for a broad range of students in this southern Gold Coast beachside area. The school community consists of a diverse range of socio-economic backgrounds ranging from wealthy, professional families to those that are struggling to make ends meet.

In 2015, there were no students enrolled in a Pre-Prep program.*

The school has a Special Education Program (SEP) that has had anywhere from 30-40 students at any given time throughout the school year. The SEP caters for students with Intellectual Impairment, Speech Language Impairment, Physical Impairment and Autistic Spectrum Disorder. The SEP runs in a child-centred manner and caters for their specific needs whether that be support within the classroom or withdrawal for parts of the school day. The school also has an Early Childhood Development Program (ECDP) based here that caters for children aged from birth to pre-prep who have low incidence disabilities.

In 2016, the school approximately had 5-6 per cent of students identified as Indigenous students.

The majority of the 2016 Year 6 cohort is currently attending Miami State High School in 2016.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

Curriculum Delivery

Our Approach to Curriculum Delivery

- The school has implemented a Pedagogical Framework that underpins the teaching and learning expectations throughout the school. The teachers participate in planning days with our Head of Curriculum, Literacy Coach and Learning Support Teacher in order to cater for all our students whilst delivering the curriculum. During these planning days the assessment is planned and adapted if required.
- Support for teachers through an established coaching model with an established Literacy Coach.
- A variety of Internal Monitoring testing and data analysis also occurs throughout the school year.
- Stephanie Alexander Kitchen Garden Program for Years 3-6.
- Access to computer labs, smaller computer pods, laptop trolleys, and a wireless connected resource centre.
- A thorough screening process in the early years that identifies students that require support and enables targeted learning support and intervention.

Co-curricular Activities

- The Burleigh Bunyips leadership program provides our Year 5 & 6 students an ability to demonstrate their leadership qualities whilst giving back to our school community through creating a supportive school culture with our junior students. The program gives our senior students opportunities to develop their responsibility and communication skills whilst providing guidance to our juniors on how to play effectively and solve problems appropriately.
- Stephanie Alexander Kitchen Garden Program for students in Years 3-6 that has students involved with one or both gardening and cooking utilising our purpose built garden and kitchen.
- Coders Club is an initiative that was started in 2016 for students interested in learning how to code and operates during the school lunch breaks with our I.T. technician.
- Reader's Club is a small group dedicated to the love of reading which meet once a week at the school library with the support of our school Librarian.
- Extracurricular offerings include school camps, instrumental music, school choirs, participation in Eisteddfods, inter-school and cluster initiated sport days, days of excellence, a variety of excursions, visiting performances and programs, and a variety of festivals.

How Information and Communication Technologies are used to Assist Learning

At Burleigh Heads State School technology is utilised to enhance the teaching and learning. All classrooms throughout the school have an interactive whiteboard installed to assist with teaching and learning. The teachers have access to their own work laptops and utilise a variety of fixed and mobile labs. The school has ensured that all learning spaces have wireless connectivity that enables students and staff to access information to support teaching and learning via laptops and iPads. The school library also has a laptop and iPad trolley that is utilised heavily. A Coding Club is established which is led by our I.T. technician and coding is taught for a variety of year levels through library lessons.

Social Climate

Overview

Burleigh Heads State School engages a variety of school and community based personnel to conduct a range of pastoral care programs for students. These include:

- School Chaplaincy Program
- Burleigh Bunyips Leadership Program
- Establishment of the HUB precinct
- Behaviour Adjustment Teacher led Social Groups
- Guidance Officer Service
- In the 2016 School Opinion Survey 100% of parents agreed that their child likes being at Burleigh Heads State School. This is above the State mean.
- In the 2016 School Opinion Survey 91.3% of parents agreed that their child feels safe at Burleigh Heads State School.
- In the 2016 School Opinion Survey 73.9% of parents agreed that student behaviour is well managed at Burleigh Heads State School.
- In the 2016 School Opinion Survey 90.5% of parents agreed that teachers at Burleigh Heads State School treat students fairly.

Burleigh Heads State School has access to a school Chaplain that provides pastoral care for our students, staff and school community. He works strongly in conjunction with our Behaviour Management Teacher who provides proactive and reactive support for students with challenging behaviours and our Guidance Officer who also provides a myriad of services.

The school has a clear approach to bullying and considers all instances of reported bullying of high importance for intervention. Burleigh Heads State School defines bullying as - deliberate behaviour that is intended to harm or disturb the victim and can be physical, verbal or emotional in manner and can occur in person, electronically or indirectly. Bullying behaviour is a repeated behaviour over a period of time which causes hurt, fear or humiliation in another person.

Burleigh Heads State School regard the following behaviours if repeated as possible examples of bullying behaviour:

- **PHYSICAL** – hitting, punching, shoving, slapping, pranks
- **VERBAL / EMOTIONAL** – spreading false rumours, excluding a person from a group, teasing, name calling, getting others to 'gang up' on individuals
- **ELECTRONIC** – sending mean spirited text, email or instant messages, posting inappropriate images or messages about others on websites, using someone else's user name to spread rumours or lies about someone

Burleigh Heads State School undertakes a whole-school approach to targeting bullying behaviour. We strive for all key stakeholders to have a common understanding of what bullying is and the processes to follow if it occurs. Each class will raise awareness of how to identify bullying and harassment at the beginning of the school year and revisit periodically when required. Bullying awareness will also occur through assembly messages periodically.
If bullying is reported it is investigated which may include witness statements to verify details and if substantiated our Responsible Behaviour Plan is applied.

Parent and community engagement

Burleigh Heads State School encourages parental involvement with the school and their child's classrooms. Many classrooms actively encourage parental support for classroom programs whilst communicating with those that cannot attend through a variety of methods such as Facebook, email, SMS texting and through the a downloadable Q Schools smartphone app. The school holds two parent teacher interview weeks whereby progress reports can be discussed in addition to parent information sessions held each year at the beginning of Term 1. The school has an active P & C body that is always welcoming of new members and is actively involved in a variety of school-based programs such as the Stephanie Alexander Kitchen Garden Program. The P&C run many services for the school inclusive of the uniform shop, second-hand shop, canteen services for school events such as discos and fund the Kitchen Coordinator component of the Stephanie Alexander Kitchen Garden program.

Our Student Support Services team regularly liaise with parents/caregivers to ensure that students that require adjustments are catered for within the classroom.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships. Our Behaviour Management teacher works proactively and reactively with cohorts, groups and individuals across the school from Prep to Year 6. As a school we utilize the Life Education program annually and supplement this with targeted discussions when required proactively and reactively. As a school we have worked hard in establishing a culture throughout the students that is led by our Year 5 and Year 6 students through the Burleigh Bunyips program. As a school we promote and have implemented the High 5 Conflict and Bullying Resolution from Prep to Year 6.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	13	6	16
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	1	0	1
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

The Burleigh Heads State School continues to implement a variety of strategies to reduce our environmental footprint. The school utilises a variety of strategies to minimise water usage such as utilising bore water to water areas of the school grounds particularly the school oval. The school has continued to invest in pumps to utilise available bore water. In addition to this we continue to use our water tanks for watering the Stephanie Alexander Garden and for the Year 4/5 toilet block. Heads State School continues to endeavour to reduce our environment footprint into 2017. Increases in electricity can be contributed to a number of initiatives such as extra air-conditioners across the school.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	187,228	0
2014-2015	146,427	
2015-2016	208,648	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school
Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

The State Education Act states that children between the age of 6 and 15 years must attend school and shall be absent only when they have a valid reason. Routine telephone calls will be made to the homes of students who are absent for three days and from whom there has been no notification to the school.
We ask all parents to ensure that their children attend school regularly and on time as no child can make steady progress if frequent absences interrupt his/her schooling. Whenever your child is absent from school class teachers should receive a note explaining the absence. This helps identify truancy situations which occur on rare occasions and assists in ensuring children's greater security.
Where a prolonged absence is anticipated, notification to this effect would be valued.
No child is permitted to leave the school or playground during school time without a note from parents. Arrangements are to be approved by the Principal.
Late students must collect a Late Slip from the office. Note: A student's learning is disadvantaged if they are continually late for school.
No child is permitted to leave the grounds at any time unless a note has been written by a parent/guardian or a parent makes a personal request to an administrator. Students must be signed out at the office and collected by a parent/carer.

School rolls are marked twice each day (morning and afternoon) and SMS text messages are sent to all parents/caregivers of absent students by mid-morning each day. These SMS text messages allow parents to inform the school of the reasons for their child's absence.

The school acknowledges students/classrooms weekly that have achieved 95% or higher attendance in any given week.
