### Newsletter 21st<sup>h</sup> February 2025

#### **School Review**

This week our school will be participating in a school review. Reviewers will be onsite Tuesday 25 – Thursday 27 February.

School reviews play an important part in how the department supports school improvement. They provide schools with independent feedback, tailored to their context and needs.

All Queensland state schools undergo a review at least once every 4 years. Schools are generally reviewed in the year that they are due to update their 4-year strategic plan. Review findings and feedback help to inform this planning process.

Our school review will be conducted by three school reviewers. Each reviewer is an experienced educator trained in the use of the School Improvement Tool, an internationally recognised framework for reviewing practices that contribute to school improvement.

Through meaningful engagement and input from school staff, students and communities, reviews involve the evaluation of evidence and practice.

***I encourage parents and carers to take the opportunity to speak with reviewers, if approached, before or after school. Your insight and feedback are a vital element of our school improvement journey.***

Schools are not ranked or given a performance rating but are supported with a comprehensive report for consideration. The report details key findings and recommended improvement strategies to lift the educational achievement, wellbeing and engagement of all students, as well as strengthen the culture and inclusion in the school.

### Burleigh Heads State School's Class and Individual Photo Days are

**Thursday 6<sup>th</sup> & Friday 7<sup>th</sup> March, 2025**

Little Images are coming to capture the smiles and personalities of our students and our amazing staff.

**Answers to some common questions include:-**

How do I order – Go to [www.myschooldays.com.au](http://www.myschooldays.com.au) and enter the Order ID – **V3W58** or alternatively use the QR code.

All packages are detailed on the website. On some phones, rotating the screen will provide more details.

Can my children have their photograph taken together - They can. There is a section on the Ordering page dedicated to Sibling Photos.

Why a Pre-paid system – A pre-paid system is offered to keep the photo prices as low as possible. You can order afterwards, however a Postage and Handling Fee may apply.

What if I don't like my photos – Little Images provide a full refund/reshoot if you are unhappy with the photos.

What to wear - All students are to wear their formal uniform with black school shoes and white socks.

### Join our Free Webinar

Parenting together for a better Internet - The role families play in creating safe online spaces for our children and teens.

Almost all parents (94%) regard their child's online safety as being important. As parents and carers, you play a key role in supporting your child to have a positive and safe online experience

The Internet provides children with a wide range of opportunities for social connection, self-expression, learning and entertainment however, research tells us that there are significant gaps in parents awareness of children's actual exposure to risks online.

**In this webinar you will learn parenting strategies to help families safely navigate the online world by:**

-  Understanding the role of tech in young people's lives. Engaging in healthy conversations with their children about online safety.
-  Understanding your role in creating safer digital school communities. Implementing practical strategies to create balanced time online and offline.
-  Taking proactive steps to create a safer online experience. Developing strategies to deal with unhelpful social media algorithms.
